

Dilpreet Jammu
Chairman, Business Manager & Partner
Capitol City Telephone

Dilpreet Jammu Joins Capitol City Telephone as Chairman, Business Manager, and Partner

*Seasoned Professional to Manage
Leading Telecommunications Provider*

LINCOLN, NE —March 7, 2005—
Capitol City Telephone, an industry
leader in telecommunications, announced
today that Dilpreet Jammu has joined the
company as chairman, business manager,
and partner. Mr. Jammu is a seasoned
professional with over 15 years of
experience in the telecommunications
industry. He will be responsible for
developing the company's business plan,
outlining key strategic objectives, and
playing an active role in managing the
financial side of the organization.

"Our changes to the senior
management team at Capitol City
Telephone were made to strengthen the
company and prepare it for future
expansion and the high customer demand
we're experiencing," said Bob Walter,
president of Capitol City Telephone.
"We've selected Dilpreet Jammu, an
extremely talented and business savvy
individual, to lead the company. I'm
thrilled about these managerial changes
and the positive impact they will have on
us and our customers. Capitol City
Telephone is in good hands and will
continue to be a family owned and
locally operated company."

Capitol City Telephone's customers
will greatly benefit from having Mr.
Jammu on the management team. He is
committed to total customer service and
satisfaction, which has been at the core
of Capitol City Telephone's success. Mr.
Jammu will utilize a balanced scorecard
management approach to develop and
implement business plans, which focus
first and foremost on the customer and
how the company's actions of affects
them.

Mr. Jammu has significant experience
as an executive in this field. He's held
leadership positions for several of the
nation's top telecommunications
companies including Teleco of the
Rockies, Nortel Networks, AT&T
Broadband, Jones Intercable, and Bell
Northern Research. He also has a strong
educational background receiving a
Bachelor of Science in Engineering from
the University of New Brunswick and
Bachelor of Science in Physics from the
University of Prince Edward Island.

Ron Walter, an eleven year veteran of
the company, will assume the role of
president, with a focus on sales and
management. He has received sales and
technical training with a variety of
manufacturers including NEC, ESI and
Panasonic, as well as sales and
management training from Technology
Assurance Group.

Marty Walter will become Capital
City Telephone's vice president of
operations and will assume responsibility
for customer service and satisfaction.
Marty has had extensive training and
certification including NEC, Panasonic
DBS, and Panasonic KX-T. Prior to his
eleven years with the company, Marty
worked with Midwest Telephone and
Sound, and had six years training and
experience in electronics and aircraft
maintenance with the U.S. Air Force,
achieving the rank of sergeant.

This transition was prompted by
current president Bob Walter's plans to
retire. Bob will help facilitate this
transition by serving as a customer
advocate, where he will be visiting the
company's customer base to ensure a
high level of customer service. Bob
eventually plans to devote more time
serving as an elder at Capitol City
Christian Church, and to developing the

ministry of For Gods Children
International of Council Bluffs, which
ministers to children in orphanages in
Romania.

"2005 is going to be an exciting year
for Capitol City Telephone and I'm
looking forward to seeing Mr. Jammu
achieve new growth and enhance the
businesses of our customers," stated Mr.
Walter.

ABOUT CAPITOL CITY TELEPHONE

Capitol City Telephone was founded
in 1993 by Bob Walter to provide the
highest levels of service to businesses in
eastern Nebraska. Previously, Walter
was a co-owner of Midwest Telephone
and Sound for 11 years. Capitol City
Telephone is a factory authorized dealer
of a number of telephone systems,
including ESI, NEC, and all Panasonic
systems. Capitol City Telephone is a
member of the Technology Assurance
Group (TAG), the nation's leading
organization of independently owned
telecommunications companies. The
TAG relationship enhances Capitol City
Telephone's ability to provide its
business customers with voice and data
services on a national basis as well as
access to a wide variety of products and
the industry's best rates for long distance
and Internet services. For more
information on Capitol City Telephone,
